## Tributes

On the ranking list of successful brood mares, Osterblume takes third place behind Bourée (AA) and Volsiena (KWPN). Her son, Candaletto (by Cantus) and her grandson Bollvorm's Athletico (by Athlet Z), were registered last year by the Holstein and Dutch breed associations. This decision was largely based on their sporting performance. Candaletto, ridden by Charlotte Velin, enjoys international success while Athletico, whose rider is Ben Schröder, has a very promising career ahead of him.

CANDALETTO

Nella ranking list delle fattrici di maggior successo Osterblume occupa il terzo posto.

... mentre Athletico, montato da Ben Schroder, ha una promettente e splendida carriera davanti a sé.
